

## **FEELS REALLY GOOD FOR EVERYONE: ST KILIAN DISTILLERS PRESENTS THE FIRST WHISKY WITH A LABEL IN BRAILLE**

Unique in the EU: Germany's largest whisky distillery presents the innovative special bottling at the Live Online Whisky Tasting in Berlin's Bud Spencer Museum!

Accessibility taken a step further! On 30 April 2022, distillery owner Andreas Thümmeler and master distiller Mario Rudolf invite you to this very special online whisky tasting. Selected whiskies and liqueurs from the Bud Spencer and Terence Hill collection of St Kilian Distillers will meet the who's who of the scene for an evening full of enjoyment and entertainment. Joining them will be the blind and the blond, Jorgo Papasoglou and Marcus Zölch, better known as Jorgo and Marcus from the documentary road movie "They called him Spencer (Sie nannten ihn Spencer)". The long-

time personal friends of the two superstars created the strictly limited special bottling "Der Blinde & Der Blonde - Jorgo & Marcus" together with St Kilian Distillers. The label of the bottle, designed in Braille, is unique in the European Union and makes this bottling particularly valuable. In addition, € 5.00 will be donated to the German Association for the Blind and Visually Impaired (Deutschen Blinden- und Sehbehindertenverband e.V.) with every bottle sold.
